

# Lyrics for 'Hygge'

From 'Frozen: The Broadway Musical'  
by Kevin Del Aguila feat. Jelani Alladin, Patti Murin, Greg Hildreth & Original Broadway Cast of Frozen

Here in Arendelle  
The winters can be well  
Let's just say it's not so very good  
But even at this latitude  
We'll keep a happy attitude  
Until we burn our final piece of wood  
See, there's a word we live by  
To keep our feelings great  
You don't have this word in English  
But allow me to good translate  
Hygge

Hygge means comfortable  
Hygge means cozy  
Hygge means sitting by the fire with your cheeks all rosy

Hygge hygge hygge hygge hygge hygge  
Hygge hygge hygge hygge hygge hygge  
Hygge-ly hygge-ly hygge-ly hygge-ly hygge-ly hygge-ly  
I will translate more

Hygge means candlelight  
Hygge means easy  
Hygge means all together playing, how you say? Parcheesi  
Finding a spider in your shoe  
Not hygge  
Having an annoying thing to do  
Not hygge  
Hygge's not scheduled  
You can't see where it starts or ends  
Most importantly it can't be hygge without your family and friends

Hygge hygge hygge hygge hygge hygge  
Hygge hygge hygge hygge hygge hygge  
Hygge-ly hygge-ly hygge-ly Hygge-ly hygge-ly hygge-ly

Now it's time to sweat  
Thank you, family  
Bye bye for now  
Hoo-hoo

We need supplies  
Where are your carrots?  
I'm gonna need them all

And ehm, hi sir  
I was hoping you might have a slightly less smelly, more size-appropriate winter cloak or dress  
Or something for climbing the North Mountain

Oh, something for climbing the North Mountain  
Where many have frozen to death?  
Yeah, I have exactly what you need: Hygge

Hygge? What's hygge?

Hygge is alcohol  
Hygge is eating  
Hygge is gloog  
Amazing stuff when you are needing heating  
Hygge means you're friendly  
You stop wanting to be rude  
Join us for some super duper hygge  
In the sauna in the nude

Hygge hygge hygge hygge hygge hygge  
Don't worry about your body  
Nothing we haven't seen

Hygge hygge hygge hygge hygge hygge  
Whip yourself with a branch and you'll feel nice and clean  
Hygge-ly hygge-ly hygge-ly  
Go get in the sauna  
Hygge-ly hygge-ly hygge-ly  
Come on you know you wanna  
First you have to dance  
Now it's time to drink

Hygge Hygge  
Ha ha ha ha  
Cha cha cha cha cha

A toast to all our family and friends  
To hygge in a storm that never ends  
So let it keep on going  
We always have each other  
The gloog is brewed  
We're here, we're nude  
And so let's have another (3x)

Excuse me  
Starving to death within a week  
Not hygge  
A future that's cold and dead and bleak  
Not hygge  
He's right  
We have to go  
We have an urgent job to do  
If you can't stay here with us to hygge  
Take all the hygge that you can with you

Hygge hygge hygge hygge hygge hygge  
Clothes, cloak, dress, and boots  
Thanks!

Hygge hygge hygge hygge hygge hygge  
All of us skimpy and firming suit  
Hygge-ly hygge-ly hygge-ly hygge-ly hygge-ly hygge-ly

You need this rope and this ax  
And also you need to relax  
Please take this sweater,  
I need it  
And son, if I may be permitted  
He might advise  
I don't need this advice  
You're about to go out on the death march of ice  
Take all of the carrots and also a flask  
For your lethal and ludicrous task  
If we're all die, keep this stuff as a loaner  
If we survive, you ought ten thousand coronas  
Deal?

Hygge hygge hygge hygge hygge  
Hygge hygge hygge hygge hygge  
Ah, ah

Hygge hygge hygge hygge hygge  
Hygge hygge hygge hygge hygge  
Hygge-ly hygge-ly hygge-ly hygge-ly hygge-ly hygge-ly  
Woow Woool!
